Cross Rhythms Children's Centre

I write in support of the application for a final award of compensation for the loss of my son, **Christopher Williams**.

Cross Rhythms have provided a valuable and fun environment for my son for many years. A tragic accident in March 2009 resulted in the death of my son, who had the misfortune to be a witness to other, further, accidents in a short period.

I've graduated now that Cross Rhythms are so essential in their production.

Yours sincerely,

Winnona Williams
